

Introducing

LuxeCare

According to a report by Floor Covering News, as of 2020, LVT had captured up to 25% of the U.S. flooring market, and it was predicted to continue to grow in popularity.

LuxeCare is a *complete* program of formulas specifically designed to keep no/low maintenance floors looking and performing as *new – forever.*

Versatile

Designed for luxury vinyl tile (LVT), laminate, rubber, sheet vinyl, linoleum, and other no/low maintenance flooring.

Extends Floor Lifespan

Unique formulations preserve the original look of your floor and add protection.

Effective

Cleans and repairs minor scratches, without adding gloss to improve floor's appearance.

Simple

Saves time and money by eliminating the need for additional maintenance steps for restoration.

Repair the unsightly wear and tear on no/low maintenance floors.

Scratches and dirt reside in the wear layer.

LuxeCare Daily Cleaner removes dirt without harming the wear layer. LuxeCare Enhance & Protect fills in scratches, provides added protection, and makes future cleaning easier.

Substantial degradation of structure and appearance will occur without proper care and attention. No/low maintenance floor's unique composition requires unique chemistry to ensure best results.
