Azulejo de la mina

DESCRIPTION

The ideal companion product for use with any high speed maintenance program, this cleaning compound is designed to protect and beautify any resilient tile, sealed wood, ceramic, terrazzo, quarry tile, or other hard surface flooring while reducing time and labor. This high speed burnishing crème will restore floors to the ultimate “wet look” gloss.

< 5%

Viscosity:
Viscous gel

Foam:
Low

Recommended Dilution:
RTU

Slip Resistance:
Will not increase slip resistance

Flashpoint:
None

Storage/Stability:
2 years

Weight Per Gallon:
8.55 lbs./gal.

Freeze/Thaw Stability:
Keep from freezing

DIRECTIONS

Sweep or dust mop the floor to remove all tar, gum, and excess soil that may scratch the finish during the buffing operation. Place a burnishing pad under a 1000 RPM or higher floor machine. Apply a 3-4 inch strip of cream in front of the machine and spread with the pad over an 800 - 1000 square foot area. Once the entire floor is done, sweep or dust the floor again.

HAZARD STATEMENTS

May be mildly irritating to eyes and skin.

PRECAUTIONARY STATEMENTS

Do not get in eyes, on skin, or on clothing.

Keep out of reach of children.

Wash thoroughly after handling.

FIRST AID

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention.

STORAGE

Keep container closed to prevent drying out.

Avoid contact with skin and eyes. Wash hands before eating,

drinking, smoking or using toilet facilities.

Close container after use.

SPILL/LEAK

Avoid walking in product. Wipe up or otherwise flush to sanitary

sewer.

DISPOSAL

Dispose of contents/container in accordance with local, state and

federal regulations.
