HIGH PERFORMANCE:

A synergistic combination of wetting and chelating agents form the base of the Shinline Multi Surface Cleaner formula to quickly penetrate and emulsify both dry and greasy soils.

HIGH DILUTION:

Effective at dilutions from 1:50 (2½ oz./gal. of water), Shinline Multi Surface Cleaner provides important in-use cost and labor economies.

RECOMMENDED FOR TOP SCRUB AND RECOAT FLOOR CARE PROGRAMS:

Shinline Multi Surface Cleaner's high performance and high dilution benefits make the product particularly effective as a top scrub for removing heavy or burnished-in soils commonly found in high traffic areas.

CRISP, MINT FRAGRANCE:

Pleasant to use, Shinline Multi Surface Cleaner leaves cleaned surfaces and surrounding areas smelling naturally clean with a crisp, mint fragrance!

Shinline Multi Surface Cleaner is authorized for use by the USDA and carries a "C1" rating. Due to the nature of its intended use, Shinline Multi Surface Cleaner does not require Kosher certification.

DIRECTIONS FOR USE:

Some individuals may be sensitive to ingredients in this product. Before using, read product label and MSD sheet. Wet floors may be slippery. Prevent pedestrian traffic with signs or barricades.

Multi Surface Maintenance:

For general cleaning of walls, woodwork, marble, plastic and other surfaces not harmed by water, dilute Shinline Multi Surface Cleaner at 2½ oz. per gallon of water (1:50) and apply with sponge, mop or other cleaning cloth.

Scrub and Recoat Floor Care Programs:

1. Dilute Shinline Multi Surface Cleaner at 2½ oz. per gallon of water (1:50).
2. Agitate with low speed machine or automatic scrubber and a blue, green or red pad.
3. Pick up solution with a wet vac, rinse floor and top coat with appropriate floor finish.

Be sure to read all Directions, Precautionary and First Aid Statements on product labels before use of this or any Spartan product. If questions remain, consult your employer or a physician. Material Safety Data Sheets for all Spartan products are available from your authorized Spartan distributor or by visiting www.spartanchemical.com.

SPECIFICATION DATA:

Total Active Ingredients - 10.0%
Specific Gravity - 1.036 @ 24°C/75°F
pH (Concentrate) - 10.5-11.2
Solvents - None
Flash Point - None
Stability:
a. Shelf @ 24°C/75°F - In excess of one year
b. Accelerated @ 49°C/120°F - In excess of 90 days
c. Freeze/Thaw Cycle - Freezes and thaws with complete clarity.
Miscibility - Completely miscible in all proportions with hot or cold water. Forms emulsion with oils and water insoluble solvents.
Rinsability - Rinses completely with hot or cold water.
Color - Green
Biodegradable
