

i15B

Micro Scrubber

The all new i15B auto scrubber is the lightweight and flexible cleaning solution for cleaning small surfaces full of corners. The i15B is compact in size but big in performance. The light weight of the i15B makes it easily transportable, even by car. Provided with a gear-driven brush motor, powerful maintenance free AGM battery and the high-quality parts that make all ICE products so durable and efficient.

Downtime is wasted time. Money spent on replacement parts takes away from your bottom line. At ICE USA, we understand that you use our machines as hard as possible to do your job, and we recognize that sometimes maintenance is a necessity. That's why our auto scrubbers come with a 5 year warranty. We have faith that we provide the best equipment possible, but if anything happens— we're here for you.
